

# **QUESTION AND ANSWERS**

## **CLARIFICATION:**

This question and answer page was created as a tool to keep all interested parties informed. If there are any conflicts or inconsistencies between this page and the solicitation, the solicitation document is the determining document. The original questions have been left to show a history of what has been asked and answered.

**05/29/2003**

**#1**

**Q.** Can you provide an estimated time for the release of the Official RFP?

**A.** No, it is advised to check the web site for additional information as it is posted.

**# 2.**

**Q.** Is the government interested in seeing a list of all prime contracts between contractor and customers, or just between the contractor and the government?

**A.** The government is interested in seeing present and past performance for government or/non-government customers that is similar to the Government's requirement.
